

Are you looking for a way to save time and money?

The City of Lynn Haven encourages use of their "Automatic Payment Program" for City utility bills using Electronic Funds Transfer (EFT). Using EFT to pay your utility bill each month is simple, convenient and free. It means no need to write a check, use a 37¢ stamp or risk late penalties.

Each month you can enjoy the privilege of having your bank, savings and loan, or credit union deduct your City of Lynn Haven utility bill directly from your checking account. All you need to do is complete the attached authorization form and mail it back to us with a voided check.

After your utility account is setup so that we can begin to draft your bank account, you will continue to receive a bill each month for information purposes. The bill will state "DO NOT PAY -- YOUR ACCOUNT WILL BE DRAFTED ON _____" (the preselected draft date). Once you receive your bill, please take the time to review it and call City Hall at (850) 265-2121 should you have any questions. It is important that you call with any questions promptly after receiving your monthly bill, so that any necessary corrections can be made prior to the preselected draft date. The City will automatically transfer funds from your checking account at least 15 days after the current statement date on your utility bill.

In order for this system to work properly, your utility account must meet program requirements and payments be current at the time you begin participation. Draft items returned by your bank as unpaid due to insufficient funds, account closed, etc., will be treated as a returned check. A service charge will be assessed and failure to make payment could result in your utility service being disconnected.

The draft will remain in effect until revoked in writing by the account holder with a minimum 21-day notice or until the utility account is closed. Bills designated as "FINAL" will **not** be drafted, but must be paid by check, cash or money order.

To take advantage of this program, simply complete the authorization form, attach a voided check and return it to City Hall. Then be looking for the words "DO NOT PAY -- YOUR ACCOUNT WILL BE DRAFTED" on your statement.
