Total CDBG-DR requested (in dollars):

1,500,000

Total Project Budget (in dollars):

1,500,000

Select which leveraged funds have been procured for the program or project, if any (select all that apply).

- |                                      |  |
|--------------------------------------|--|
| <input type="checkbox"/> FEMA        | <input type="checkbox"/> Private Funds |
| <input type="checkbox"/> Local Match | <input type="checkbox"/> Other         |
| <input type="checkbox"/> State Funds |  |

If you selected "Other" in the previous question, please specify which leveraged funds have been procured.

Does the proposed recovery activity reside within any tribal governments?

Yes

No

Please state which tribal government(s) the project resides within.

Does the proposed recovery activity exist within any municipality(s)?

Yes

No

Please state which municipality(s) the proposed project effects.

Does the proposed recovery activity involve any unincorporated area(s)?

Yes

No

Please state which unincorporated area(s) the proposed project effects.

Is the local government covered by the National Flood Insurance Program?

Applicants must be covered by the National Flood Insurance Program to receive CDBG-DR funding, or they will be disqualified.

Yes

No

Are there any co-applicants involved in this project?

Yes

No

Please select which National Objective the project addresses:

Low-Moderate Income Area

Urgent Need

How was the LMI data obtained for this project?

Survey Data

Census Block Data

Please specify which census blocks were used in calculating LMI area.

Block Group 2, Tract 14.03

Please select which Eligible Activity that best describes the proposed program or project:

- Restoration of Infrastructure
- Public Facilities such as emergency community shelters
- Re-nourishment of protective coastal dunes systems
- Demolition, rehabilitation of publicly or privately owned commercial or industrial buildings
- Other

If you selected "Other" for the previous question, please specify what Eligible Activity best describes your program or project.

Does the applicant have a citizen complaint policy, acquisition and relocation policy, housing assistance plan and procurement policy in place that meets HUD guidelines? (Select all that apply)

Citizen Complaint Policy

Housing Assistance Plan

Acquisition and Relocation Policy

Procurement Policy

### Readiness to Proceed

Select "Yes" or "No" for key factors achieved to support that the program or project is ready to proceed. If "Yes" is selected, you will be prompted to provide any supporting documentation with the file upload link for the pertaining question.

#### Site Control

Yes

No

#### Zoning and Community Approval

Yes

No

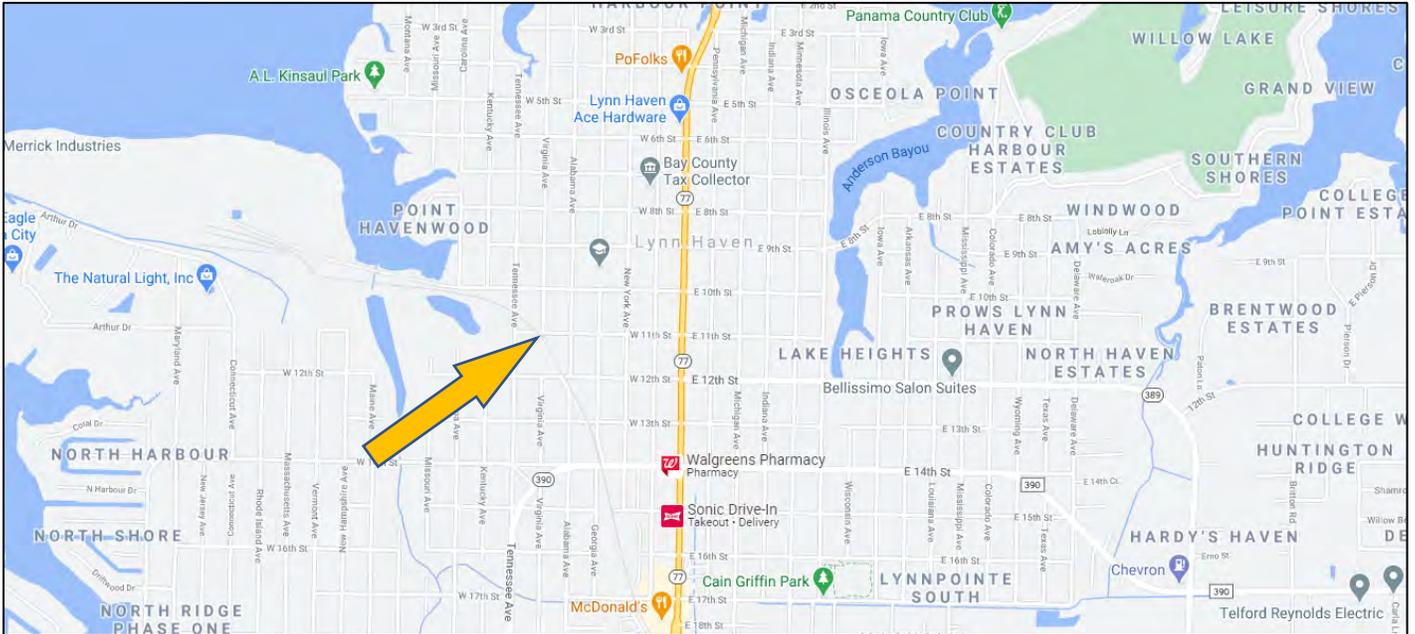

## **Supporting Documents**

Please provide three (3) maps with an overlay that clearly shows each of the following criteria:

1. Project Location and/or Service Area
2. Low-and-Moderate-Income Service Area
3. Most Recent Flood Plain Map

# Lynn Haven – 12<sup>th</sup> St. regional stormwater system Project

## Location

**Project Description:** This project involves the planning and construction of a regional stormwater system located near and around 11<sup>th</sup> St. and Virginia Ave. in Lynn Haven. The abandoned 100 ft wide ROW will be used to install a regional stormwater system to alleviate especially flooding that occurs upstream in this area. Three 70 ft wide ponds will be constructed over a three-block configuration. The ponds will be connected with each other and provide flood attenuation for the area. This project will reduce the chance of flooding in at least four know flood prone areas including two on Hwy 77.

**Estimated Project Cost:** \$1,500,000

**Status of Design/Permitting:** Stormwater Master Plan and Preliminary Engineering Complete. Final design and permitting can be completed within 8 months of funding award.

**Other Grant Funding Committed/Provided:** None

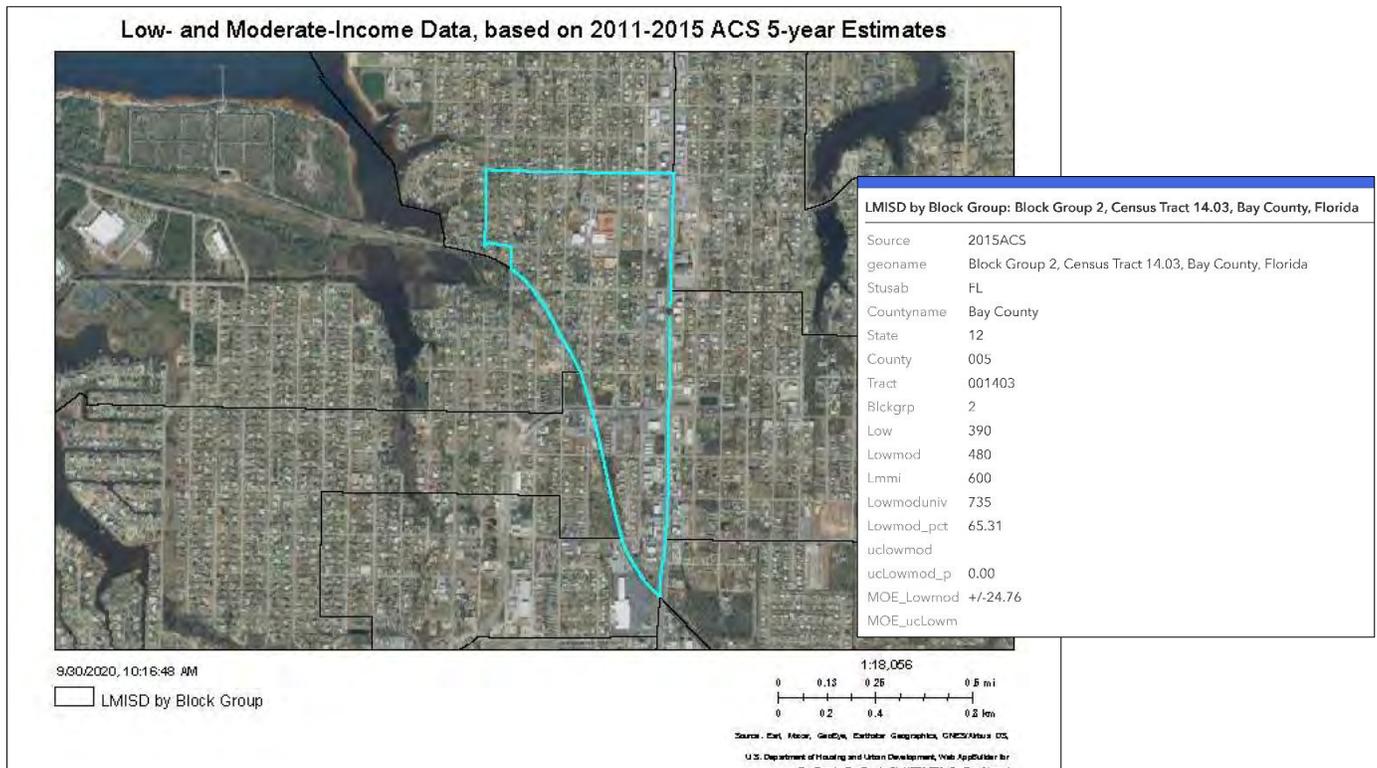

**Schedule:** Shovel ready in 8 months of receipt of funding.

**Project Type:** Project will benefit the low to moderate income area of the City.

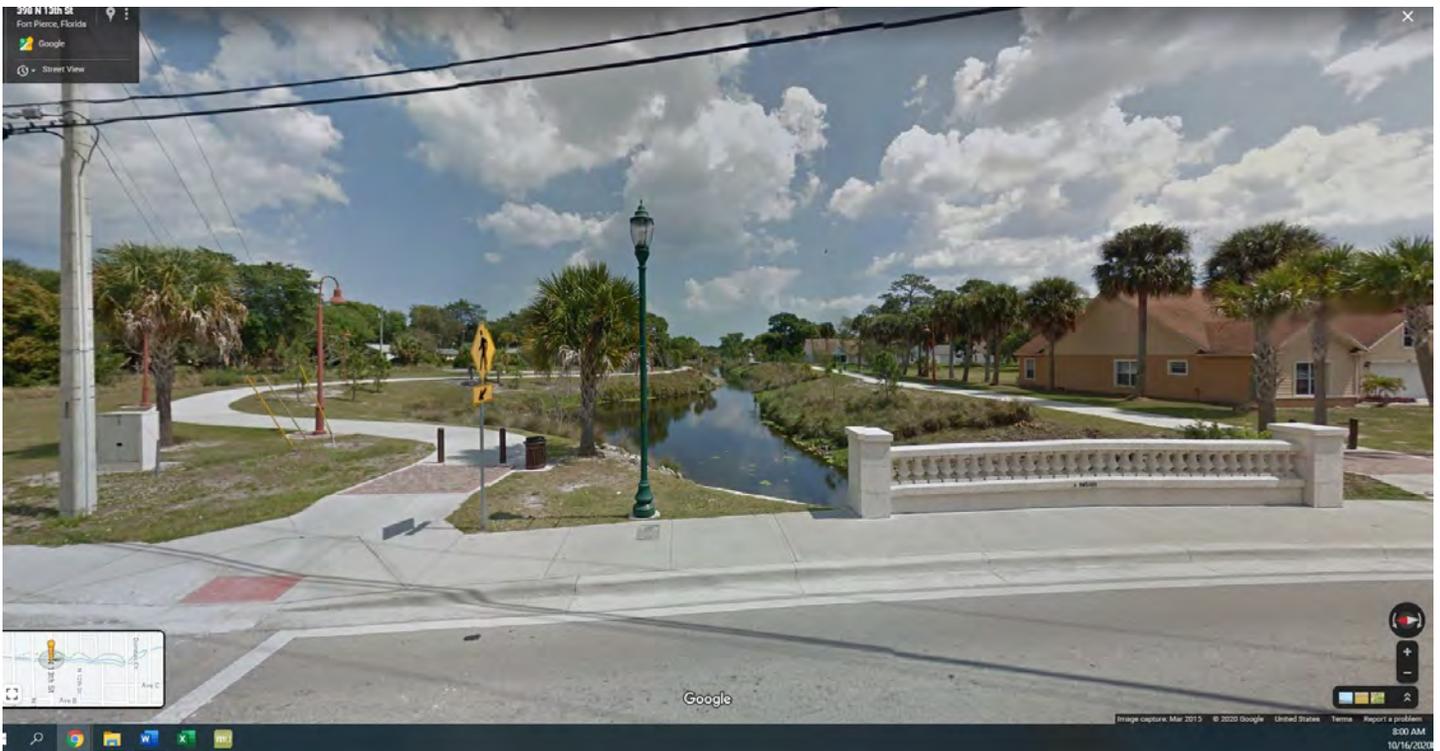

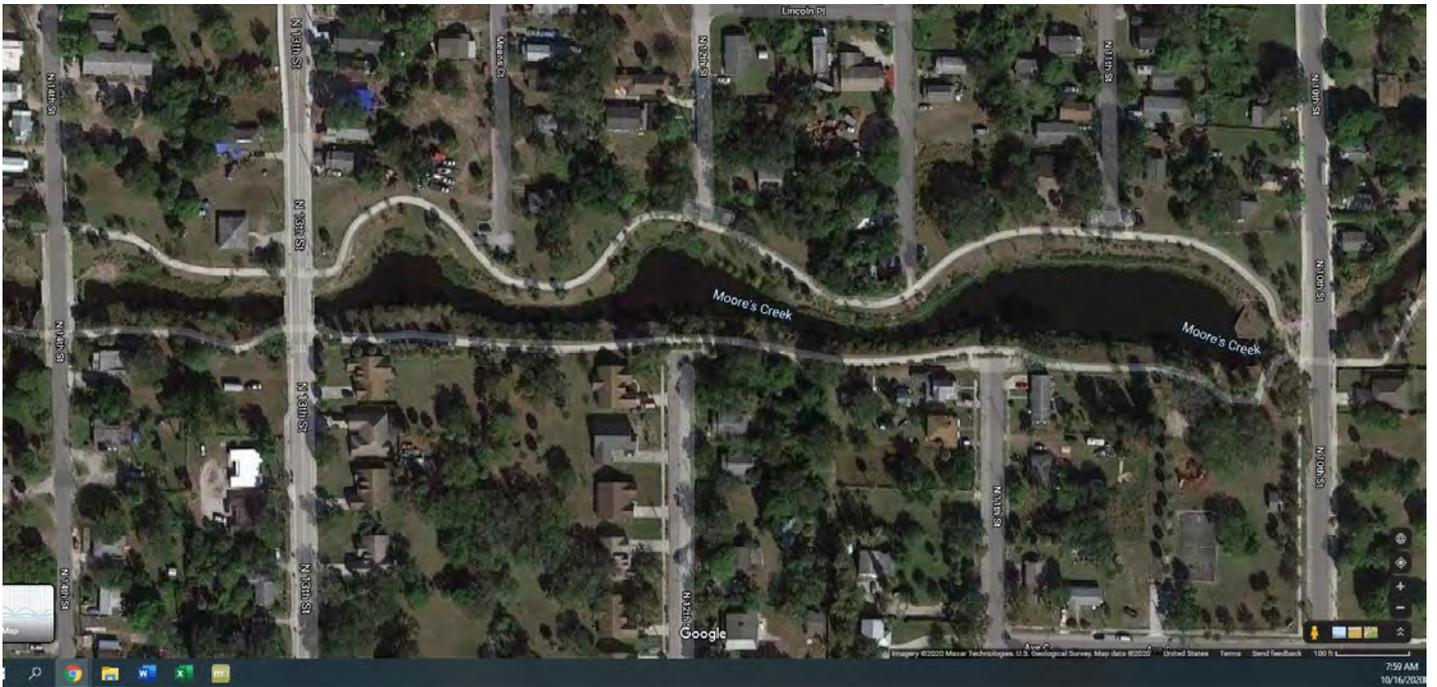

**Requested Amount:** \$1,500,000

Watershed information with approximate retention pond locations

|                             |  | Unmapped   |

The pin displayed on the map is an approximate point selected by the user and does not represent an authoritative property location.

This map complies with FEMA's standards for the use of digital flood maps if it is not void as described below. The basemap shown complies with FEMA's basemap accuracy standards

The flood hazard information is derived directly from the authoritative NFHL web services provided by FEMA. This map was exported on **11/13/2020 at 8:58 PM** and does not reflect changes or amendments subsequent to this date and time. The NFHL and effective information may change or become superseded by new data over time.

This map image is void if the one or more of the following map elements do not appear: basemap imagery, flood zone labels, legend, scale bar, map creation date, community identifiers, FIRM panel number, and FIRM effective date. Map images for unmapped and unmodernized areas cannot be used for regulatory purposes.
