Backflow Devices

✓ The deadline has passed for homeowners with irrigation meters to install the required backflow assembly. Over the next few weeks, staff will be turning off irrigation meters, only, until homeowners comply with the mandated FDEP rule. If you already have installed the required backflow and have not called for a compliance inspection, please do so as soon as possible at 265-0087.

Fires

✓ Building a fire outside of stoves, grills, fireplaces, or other places provided for such purpose shall be unlawful. All fires shall be attended to at all times and, upon abandonment, such fires shall be completely extinguished. Burning of yard debris or trash is forbidden.
