What's New in the City?

- The Public Works Dept is continuing to clean and maintain ditches. Please be sure not to dump any trash or debris into the ditches, including weeds, lawn clippings, etc. We are seeing an issue with plants growing and causing blockage.
- The Animal Shelter is getting a face-lift and employees of the Facility Maintenance Dept are working hard expanding the office and visitor space in the building.
- The Street Dept is working to fill the pot holes on City streets to make it safer for every resident and employees.
- The Customer Service Center building now has a bulletin board installed where residents can see public meeting agendas & flyers for upcoming events via drive-thru.
- During the month of March, look for demolition dates for the old Library and City Hall via the City website, Facebook, Twitter, and Instagram pages!
