Special Pick Up

We offer a service to assist you in ridding yourself of those “hard to get rid of” items. Do you have an old couch or mattress, perhaps an old appliance? Call 850-265-5989 to arrange a “Special Pick Up” to meet your needs. Items not picked up by the City are: Appliances with freon, batteries, hazardous materials, paint, refuse created by private contractors, and tires. A fee will apply for special services depending on your needs. The fee can be added to your next month’s water bill. To cut your cost, please keep items separated. More info can be found on the City website.
